## Hamner Widening Project

PHOTO COURTESY: ADPAVE.COM

BY ANTHONY SAUDE

**Eastvale-** The Hamner Avenue Widening Project is estimated to begin in July of this year, and is simply the next chapter in the City of Eastvale's master plan.

The City is experiencing the kind of growth that was once only a dream written down on paper. The plan has been well thought out is now being executed by city officials in a very deliberate and responsible manner.

What is the Hamner Widening Project? The improvements being made will be lim-

ited to the east side of Hamner Avenue, adjacent to the Swan Lake property. The goal is to remove the "bottleneck" and increase the capacity of the roadway to accommodate the increased traffic. A lane will be added to each direction of the roadway increasing the number of lanes from 1 lane each way to having 2 lanes in each direction.

All of the improvements will be done within the existing Public Right-of-Way rules that are already required outside of the Swan Lake property. The immediate benefit this

## Police Need Your Help to Solve Fatal Hit and Run

BY ANTHONY SAUDE

**Eastvale -** The police department is always looking for new information which may solve sometimes tragic and untimely incidents. The Eastvale Police Department's Traffic Division is asking for the public's help with an investigation that occurred four years ago.

On Friday, April 25, 2014, just after midnight, Eastvale officers began a Hit-And-Run investigation at the intersection of Limonite Avenue and Hamner Avenue. The collision turned fatal. Officers learned a

black, unknown make sedan, struck a bicyclist after failing to stop for a red light. The sedan fled the scene on Limonite Avenue and was never located. Witnesses attempted to provide information that day, but at this moment, no one is in custody. The day's tragic events took the life of a young man, Troy Davids, and left his family mourning his loss.

The commitment to the investigation has never diminished for the Eastvale Police Department. They are now

see Hit and Run page 13

Troy Davids (above) was riding his bicycle when he was struck and killed by a black sedan. Police are seeking the public's assistance to identify the driver of the suspect vehicle.

## NORCO

### County Sheriff who Thwarted College Attack is Honored

BY ANTHONY SAUDE

**Norco-** The Riverside County Sheriff's Department team, who were responsible for thwarting an attack on Norco College, were honored by the Norco City Council. The forward thinking team used creative methods to stop the attack before the suspect could even start it.

All together there were

about 20-30 people who worked for 18 hours straight on February 19 to identify and locate the suspect before his planned plot was able to be carried out. Deputies assigned to the Norco and Jurupa Valley stations, as well as Assistant Sheriff Joseph Cleary, Capt. Daniel Hedge, Norco station Lt. Eric Briddick

## CORONA

### Woman Crashes into Corona Walmart

BY ANTHONY SAUDE

**Corona -** A Riverside woman crashed her sedan through the glass door and into the produce section of a Corona Neighborhood Walmart on an otherwise uneventful Sunday evening a few weeks ago.

The woman who was later identified as Diane Mickens, 56, of Riverside, drove through the entrance of the store in the 1500 block of W. Sixth Street

PHOTO COURTESY: CORONA PD

around 7:45 p.m. Sunday, April 15, Corona police officials said.

A Walmart employee called 911 after the vehicle came to a

Extreme Backyard Designs is located at 2330 S. Vineyard Ave. They can be reached at 909.930.6111 or online at [www.extremebackyarddesigns.com](http://www.extremebackyarddesigns.com). See their Ad on page 8.

### Tint Your Windows at Mr. Tint

STAFF REPORTS

**Norco -** Car window tinting is one of the best ways to improve the look and comfort of your vehicle. You can protect the interior of the vehicle from sun damage by tinting the windows. Sunlight and heat can cause your interior, like seats and the dashboard, to fade, crack and deteriorate. Window tinting reduces the sunlight allowed into the vehicle, which in turn reduces how hot it gets inside your car. Likewise, homes and offices heat up during the day, and trying to keep your air-conditioner ahead of the game can

see Tint page 13

Mr. Tint is conveniently located just minutes from Eastvale at 1780 Town and Country Drive, #104, in Norco (near the post office and DMV). Call them at (951) 737-7007 for more information, or visit their website at <http://www.mrtint-ie.com>. See their Ad on Page 4.

## Eastvale Mayor Clint Lorimore Elected SCAG Regional Council District No. 4 Representative

BY ANTHONY SAUDE

**Eastvale** - On Monday, April 2 an election was held among the Council members from the cities of Eastvale, Norco, and Jurupa Valley to determine who will represent District 4 on the Southern California Association of Governments (SCAG) Regional Council. City of Eastvale Mayor Clint Lorimore was elected by Council members from the three cities to serve as the SCAG Regional Council District 4 representative from May 2018 through May 2020. "It is an absolute honor to serve our region at SCAG and I sincerely appreciate the support of my colleagues to represent our cities," said Mayor Clint Lorimore. "I look forward to the next two years and the great things we stand to accomplish for the area." In addition to serving as the Regional Council Representative for District 4, Mayor Lorimore Chairs SCAG's Legislative Communication and Membership Committee and serves as a member of the Executive Administration Commit-

tee, and the Transportation Committee. Founded in 1965, the SCAG is a Joint Powers Authority under California state law, established as an association of local governments and agencies that voluntarily convene as a forum to address regional issues. Under federal law, SCAG is designated as a Metropolitan Planning Organization (MPO) and under state law as a Regional Transportation Planning Agency and a Council of Governments. The SCAG region encompasses six counties (Imperial, Los Angeles, Orange, Riverside, San Bernardino and Ventura) and 191 cities in an area covering more than 38,000 square miles. The agency develops long-range regional transportation plans including sustainable communities' strategy and growth forecast components, regional transportation improvement programs, regional housing needs allocations and a portion of the South Coast Air Quality management plans. More information about SCAG can be found at [www.scag.ca.gov](http://www.scag.ca.gov). ■

## Eastvale Community Success Story

PHOTO COURTESY: CITY OF EASTVALE

### STAFF REPORTS

**Eastvale** - During a recent Neighborhood Watch meeting, an Eastvale resident presented their concerns about the intersection on Cherry Creek Circle and Sunny Brook Lane. The intersection, according to the resident is a high pedestrian traffic intersection and that it was in need of a pedestrian crosswalk. The Public Works Department took the concern to heart and a team assessed the intersection in the field by observing traffic and conducting traffic counts. It was confirmed, based on their findings, that there truly

was need for the installation of a pedestrian crosswalk. Due to the number of students and parents that cross the street daily triple four style enhanced crosswalks were installed as well as a curb ramp that meets ADA requirements.

The City of Eastvale is always open to ideas and suggestions from our residents and we welcome the input. This is a perfect example of how the Eastvale community works together in making our city better each day and a reminder that we are better together. Only together can we can accomplish great things! ■

### CORRECTION:

Last months article "Fatal Accident" read: "Parents Andrew and Tiffany Woodward referred to Stace as 'a joy to our lives and beloved member of our family who brought life and love wherever he went.'" The parents asked us to print that they never said that. The quote was taken from the obituary from "legacy.com/obituaries" and not from the parents.

## City Manager's Message

PHOTO COURTESY: CITY OF EASTVALE

### STAFF REPORTS

This year continues to be a year of growth and development for the City of Eastvale. New businesses opening in Eastvale such as Costco Wholesale, Amazon Fulfillment Center, Parker House

Furniture, Saratogo Foods, and Shred-it to name a few will bring employment opportunities and revenue to our community. There are also many local road improvement projects funded through Senate Bill 1 such as the Residential Slurry Seal Project and the Annual Overlay Project, which will both be completed this year. These are just a few of the big things happening in

Eastvale, which is why we have much to be proud and thankful for!

Our city has proven to be a premiere location to raise a family because it is embodied by our focus on "com-

## City of Eastvale Appoints New Assistant City Manager

PHOTO COURTESY: CITY OF EASTVALE

### BY ANTHONY SAUDE

**Eastvale** - Bryan Jones appointment as Eastvale's new Assistant City Manager became official on Monday, April 16. Bryan is married to his wife, Shari of ten years. They have two children and three black Labradors.

The appointment concluded a six-month nationwide recruitment process. Jones was selected from ninety qualified applicants. "We are thrilled to have Bryan serve as the Assistant City Manager for the City of Eastvale," City Manager Michele Nissen said. "He is passionate about helping the City move in the direction of our full potential that will ultimately help

us serve the community in the best way. I am confident that he will do a great job in this position." Bryan draws his knowledge from his nearly 20 years of experience in both the public and private sectors. He has led cutting-edge land use and transportation infrastructure projects throughout California and North America as a results-oriented certified planner and professional engineer. He has more than a decade of experience serving in local agency public sector leadership positions, leading large scale land use projects such as residential developments, office campuses, industrial parks, transit oriented development, downtown revitalization, and mixed use projects. Bryan has a Masters Degree in Public Administration from Norwich University with focus on Leadership and Sustainable Financial Strategies, as well as a Bachelors of Science in Civil Engineering from University of California Davis with a minor in communications. Bryan is a certified National Complete Streets Instructor and for the past six years, he has served at Caltrans as a voting member of the California Traffic Control

# Motorcyclist Killed, Corona Man Arrested

BY ANTHONY SAUDE

**Corona** – A Corona man was arrested for allegedly driving under the influence when he collided with a motorcyclist early Sunday morning. The collision on the westbound 60 Freeway in Jurupa Valley left the motorcyclist, a Menifee resident, dead, the California Highway Patrol said Monday, April 2.

Tonga Tavake, 59, died at the scene of the accident on the freeway just west of Valley Way, the Riverside County Coroner said Monday. Tavake was struck by several passing motorists as he lay motionless on the pavement, the CHP incident log reported.

The initial call that went out for the 4:07 a.m. crash was that a 2006 Volkswagen had collided with a center divider. Only a few minutes later, a report of a motorcyclist down

in the No. 1 (fast) lane of the freeway in the same area came across the radio, according to CHP reports. Later it was learned that the collision involved both the motorcycle, and the Volkswagen from the earlier report. The motorcycle rider had been ejected from the motorcycle, the Monday report said.

The driver of the Volkswagen, identified as a 24-year-old Wilson Mayora Jr. of Corona, was arrested on suspicion of felony driving under the influence and vehicular manslaughter. He remained in custody Monday night at the Robert Presley Detention Center in Riverside.

The accident remains under investigation; anyone with information about it is encouraged to contact the Riverside California Highway Patrol Accident Investigation Unit at (951) 637-8000. ■

# Clean Up & Paper Shredding for FREE

BY ANTHONY SAUDE

**Eastvale** - The City of Eastvale will be partnering with Waste Management for a free residential clean up and paper shredding event on Saturday May 26.

This free event will be held at Ramirez Intermediate School, 6905 Harrison Ave, Eastvale CA 92880, from 8 am to 12 pm. There is a 4 banker box limit per household for shredding. Other items that will be accepted for disposal are: Washers/Dryers, TV's, Microwaves, Air Conditioners, Computers, Refrigerators/Freezers, Chairs/Couches/Tables, Box Springs/Mattresses, Barbecue/Patio Furniture, bundled Branches and bagged green waste.

Items that will not be ac-

cepted: Tires, Latex, Oil, Paint, Florescent Light Tubes, Empty Drums, Batteries, Motor Parts or Motor Oil, Pool Chemicals, Commercial or Remodeling Waste, Transmission/Brake Fluids, Weed Killers, Herbicides, Bleach/Tub & Tile Cleaner, Fertilizers, Pesticides & Rodent Poisons, Anti Freeze, Solvents/Gasoline or Engines

Make sure to bring proof that you are a resident of Eastvale. Bring a photo ID with the ad from page 7 or a Waste Management bill to the event. Residents with trailers will be directed to the landfill/transfer station to unload materials themselves. Please note that all company vehicles will be turned away.

Residents are responsible for unloading their own items. ■

# Area Crime Recap: April 2018

STAFF REPORTS

**Incident: Warrant Sweep**  
**When: 4/14/18**  
**Where: Jurupa Valley**

Details: Some think if they just don't show up for a court hearing, the police won't have the manpower to come find them. If your violation is a DUI or traffic related, don't count on it. On April 14, 2018, The Jurupa Valley Traffic Team with dozens of outstanding arrest warrants fanned out into neighborhoods in search of high risk DUI offenders and others with traffic related warrants. Officers served warrants and arrested offenders who either failed to show up for a court date or violated terms of their probation in an outstanding traffic-related case. "The best bet for anyone with a missed court date is to go to court on their own now," said Sergeant Raemie Wood. "If you don't, that warrant isn't going away. We're going to come find you and take you to jail." Those caught often face additional jail time for failing to appear in court or for violating probation. When family, friends, and co-workers find out, violators can also face personal embarrassment as they are led away in handcuffs, as well as missing work while sitting in jail. Special Warrant Service Operations along with regularly scheduled 'High Visibility' DUI enforcement has a deterrent effect on those who disregard driving safety and abuse alcohol and drugs. The Jurupa Valley PD places a high priority on lowering deaths and injuries with the goal of removing impaired drivers and heightening awareness of the dangers of driving under the influence of drugs and alcohol. Funding for the operation is provided by a grant from the California Office of Traffic Safety through the National Highway Traffic Safety Administration. Report Drunk Drivers; Call 9-1-1! Results: Warrants Attempted: 28 , Warrants Served: 10

**Incident: Homicide**  
**When: 4/18/18**  
**Where: 5200 Block of Stone Ave., Jurupa Valley**

Details: On April 18, 2018, detectives from the Burbank Police Department requested assistance from the Riverside Sheriff's Department regarding a homicide investigation involving three Hispanic male victims. Their investigation led Burbank detectives to a residence of interest on the 5200 block of Stone Avenue, in Jurupa Valley. Personnel from the Sheriff's Special Enforcement Bureau and the Central Homicide Unit assisted Burbank detectives with serving a search warrant at the Stone Avenue address. Based on the circumstances and evidence found at the scene, the Sheriff's Central Homicide Unit assumed the homicide investigation. The identities of the victims are being withheld until families are notified. This is an on-going investigation and no further information will be released at this time. Anyone with information is encouraged to contact Central Homicide Unit Investigator Gonzales at 951-955-2777.

**Incident: Fatal Traffic Collision**  
**When: 4/18/18**  
**Where: Mission Blvd. cross of Vernon Ave., Jurupa Valley**

Details: On Wednesday, April 18, 2018, about 2:55 PM, officers from the Jurupa Valley Police Department responded to a traffic collision on Mission Boulevard cross of Vernon Avenue, in Jurupa Valley,

involving a motorcycle and a vehicle. Officers arrived on scene and immediately attempted life-saving measures to the motorcyclist until they were relieved by American Medical Response paramedics. The motorcyclist succumbed from his injuries. The Jurupa Valley Station's Traffic Reconstruction Team is conducting a full investigation to determine the cause of the collision. Alcohol or drugs do not appear to be a factor in this collision. The victim will remain unidentified at this time pending Coroner notification to the next of kin. Anyone with additional information is encouraged to call Deputy Robles at the Jurupa Valley Station, 951-955-2600. Persons who wish to report criminal activity and wish to remain anonymous can call crime stoppers at 800-78-CRIME (800-782-7463) or 800-47-DRUGS (800-473-7847). You can also leave anonymous information at [www.riversidesheriff.org/tipline](http://www.riversidesheriff.org/tipline) or [www.wetip.com](http://www.wetip.com).

**Incident: Homicide Investigation**  
**When: 4/20/18**  
**Where: Canal St. cross Mission Blvd., Jurupa Valley**

Details: On Friday, April 20th, 2018 at about 7:37 pm, officers assigned to the Riverside County Sheriff's Department-Jurupa Valley Station were dispatched to a "Man Down" call in the area of Canal St. x Mission Blvd., in the city of Jurupa Valley. Officers arrived and located an adult male victim deceased near the rail road tracks. The identity of the victim is being withheld pending notification to the next of kin. There is no suspect information available for release at this time. The Riverside Sheriff's Department-Central Homicide Unit and Jurupa Valley Station Investigators have assumed the investigation. Investigators are requesting the public's assistance with any information regarding this incident and are encouraged to please call Investigator Button of the Sheriff's Central Homicide Unit at (760) 393-3531.

**Incident: Street Racing & Traffic Safety Enforcement**  
**When: 4/21/18**  
**Where: Area of Augua Mansa x Brown, Jurupa Valley**

Details: On Saturday, April 21, 2018, Jurupa Valley Police Officers conducted zero tolerance enforcement activities in an effort to combat illegal street racing, side-shows, reckless driving and other related traffic offenses. A marked increase in street racing related activity has been noted at several locations throughout the city in recent months, jeopardizing the public as well as the participants themselves. During the enforcement operation, officers responded to multiple reports of vehicles and pedestrians congregating in the area of Auga Mansa and Brown, Jurupa Valley. Upon the arrival of officers, several vehicles were observed driving recklessly in close proximity to spectators. The following persons were arrested for street racing and/or reckless driving, blocking the road to facilitate street racing, and other related vehicle code violations. All three subject's vehicles were towed.

In an effort to keep the community safe, the Jurupa Valley Police Department will continue zero tolerance enforcement operations targeting illegal street racing activities and reckless driving. It should be noted that these operations will include arresting and or citing participants and spectators at these illegal events. ■

# Summer Kidz Camp Coming Soon!

**Residents are responsible for unloading their own items.**

## What Is The Hamner Widening Project?

The Hamner Avenue Widening Project is estimated to start in July 2018 and to be completed in September 2018. The widening improvements are limited to the east side of Hamner Avenue, adjacent to the Swan Lake property, which will remove the "bottleneck" and increase the carrying capacity of the roadway. The project will add a lane to each direction, providing two lanes per direction.

All improvements will be done within the existing Public Right-of-Way. No additional Right-of-Way is required outside of the Swan Lake property. An immediate benefit from this project will be providing a detour route for the I-15 freeway traffic during the upcoming I-15 freeway/Limonite Interchange construction that is proposed to start in August 2018. Additionally, the pavement on Hamner Avenue between Limonite Avenue and Amberhill Avenue will be rehabilitated.

This project is funded by the Western Riverside County of Governments (WRCOG) through the Transportation Uniform Mitigation Fee (TUMF).

## 5 Ways Parents Can Help Kids Create Great Dental Habits

PHOTO COURTESY: (C) ROBERT KNESCHKE/STOCK.ADOBE.COM

### By STATEPOINT

That first wiggly tooth indicates a new childhood milestone -- loss of the first “baby” tooth. While this is often a time for cute photos and a visit from the tooth fairy, it should also be an opportunity to reinforce the importance of good oral care with children so that their new permanent teeth stay healthy and last a lifetime.

Tooth decay is one of the most common chronic diseases among children in the U.S., but it is also preventable. This finding by the Centers for Disease Control and Prevention ([cdc.gov/oral-](http://cdc.gov/oral-)

health/basics) highlights just how important it is to help kids take good care of their teeth.

“The sooner the better when it comes to helping children understand the importance of taking care of their permanent (‘adult’) teeth. As children grow, encourage them to take more responsibility for their oral hygiene, but continue to supervise them until you’re comfortable with their routines,” says Dr. Michael Hahn, national dental director for Cigna.

Dr. Hahn recommends the following tips for a healthy mouth.

- Attack plaque: Let your

child know that “plaque” leads to tooth decay -- it’s like your tooth “getting sick.” Plaque has bacteria and acids that can hurt a tooth’s outer enamel and cause tiny holes that lead to cavities.

Brush for two minutes, twice a day. Help your child understand what two minutes actually “feels” like by playing a favorite song for that length of time, or use a kitchen timer, smartphone alarm, hourglass of sand or stopwatch.

- Floss: Daily flossing is important too. Since flossing may be tricky for small hands, help them until about age 10.
- Snack smart: Healthy teeth rely on smarter snacks.

Fruits and vegetables can help reduce plaque buildup. On the other hand, sugary and sticky foods can remain on teeth for hours, providing time for bacteria and acids to begin their damage. If your children drink soda, encourage the use of a straw so less of the liquid coats their teeth.

- Visit the dentist: Regular dental checkups are essential. These visits can detect problems when they are still small and are less complex to treat. Getting used to seeing the dentist in childhood will help keep this important practice going as an adult.
- Reward positive behavior: Praise your child for doing a

good job. You know your child best -- offer that “something special” as incentive, particularly when the dentist gives a great report.

“It’s easier to teach a younger child good habits, than to break an older child of poor ones. Encourage your kids to take good care of their teeth. You’ll put them on track for strong, healthy teeth that will last a lifetime,” says Dr. Hahn.

For additional dental tips, visit [cigna.com/dental-resources](http://cigna.com/dental-resources).

For detailed questions or concerns about a child’s oral health, it is important to consult a dentist. ■

## City Manager’s Message

### Nissen from page 3

munity, pride, and prosperity” as stated in our city seal. As your City Manager and a long-time Eastvale resident, I am confident you will be pleased with the progress we are making this year. Stay tuned for more great news from the City of Eastvale.

One of our goals for 2018 is to enhance communications and outreach with the citizens of Eastvale. To that end, we publish a weekly electronic newsletter that recaps the important events and information that the City

posts to different platforms. The “Eastvale Weekly” provides a quick glance at the most recent news within our community. Updates can be found in this newsletter regarding city functions, elected officials, departments, and staff. Our hope is to bring City Hall closer to you!

For more exciting news, updates, and opportunity to meet your City Council members and City Staff, please join us on July 24, 2018 for the Annual State of the City Address to be held at Eleanor Roosevelt High School.

Sincerely,  
Michele Nissen ■

project will bring to the community will be a detour that will be needed during the upcoming I-15/Limonite construction.

The detour will be needed when the 1-15/Limonite interchange construction begins in August of this year. Additionally, the pavement on Hamner between Limonite Avenue and Amberhill Avenue will be rehabilitated.

The project is funded by the Western Riverside County of Governments (WR-COG) through the Transportation Uniform Mitigation Fee (TUMF). ■

## City of Eastvale Appoints New Assistant City Manager

### Manager from page 3

Devices Committee for the California Manual on Uniform Traffic Control Devices. Bryan is passionate about identifying ways to help move and connect people, businesses, and communities so that they can all thrive. “I am honored and humbled to be joining such an amazing team,” said Assistant City Manager Bryan Jones.

“The culture of an organization is very important to me, and you can feel the Eastvale Way the moment you walk into City Hall. The team here truly cares about working with the City of Eastvale and each other. They all care about the people and businesses of the community and are always looking for new ways of helping Eastvale move in the direction of its full potential.” “As the new Assistant City Man-

ager, I look forward to serving the people of Eastvale and collectively, enhancing the quality of life for everyone in our great city,” said Assistant City Manager Bryan Jones.

The City of Eastvale was founded on October 1, 2010 as an independent local government agency, governed by a five-member, elected City Council. The City of Eastvale serves over 64,613 residents and encompasses

13.1 square-miles in western Riverside County. The City is strategically poised between Interstate 15 and California State Routes 91, 60, and 71, making access easy for residents, visitors and businesses alike. Eastvale is a young and dynamic community filled with economic opportunity, tremendous growth, and strong values. For more information on the City of Eastvale, please visit: [www.EastvaleCA.gov](http://www.EastvaleCA.gov) ■

“Take care of your body. It’s the only place you have to live.”

## It's All in the Mind

BY PASTOR  
SEAN ORTIZ

Are you tired of the battle of the thoughts?

Every day we battle thoughts that plague us.

We can't sleep, we feel defeated and we fear stepping out. John 8:44 "He (Satan) is a liar and the father of lies." I don't dwell on him, I don't attribute every evil act him but, he is the motivator of all evil in the world. Many times the battle is from my own choices I make

that take me away from God's perfect will for my life. So, the answer is simple in how to battle the thoughts we struggle with every day. John 14:6 Jesus says, "I am the way, the truth, and the life." The truth is what Jesus represents. How do we get the truth from Jesus? We learn to walk in HIS ways. We do that by reading and meditating on HIS word. His word is the Bible. Psalms 1:1-3 is a must read. It says "delight is in the law of the Lord, and in His law he meditates day and night." To conquer the thoughts the enemy tries to put in our mind

to distract from who God says I am, I need to read HIS word every day. We can drive with the bible app, listen to the radio teachers and read the Bible on our own. You can see victory when we meditate on HIS word DAY and Night. Psalm 1:3 says when we meditate on HIS word that "whatever he does shall prosper". Meaning when we meditate on HIS word it is prosperous for the heart, mind and soul. Remember to always LET GO and LET GOD.....

See Pastor Sean Ortiz at New Beginnings Community Church, Jurupa Valley. ■

## Men of Impakt

Guests in April

BY ANTHONY SAUDE

I had some incredible guests in the month of April. What a blessing that I get to chat with individuals

that are out there making a difference in people's lives every day. These guys are doing this type of stuff in their spare time. Check out [www.moveministries.org](http://www.moveministries.org) and the interview with David Bethany and Don Tietz on April 26. If you are a man and going on a mission trip is something that you have thought about for years but just haven't pulled the trig-

ger, you are going to want to check out this opportunity.

I was honored to be able to talk to 2 men on separate weeks from the Cajun Navy 2016. Check out their website: [www.cajunnavy2016.org](http://www.cajunnavy2016.org) or check them out on Facebook. We got to speak with Billy Brineager and Ben Husser about how they drove to Texas from Louisiana with their boats and started rescuing people and giving people hope. These 2 interview are incredible. I am still working with John Able to schedule an interview as well. These guys had just got back from a visit to the White house. Great stuff.

I am really excited about the guest lineup for the month of May too. Also this month M.O.I. Would like to honor your Man Of Impakt. Send

us an email to [menofimpakt@gmail.com](mailto:menofimpakt@gmail.com) outlining who your M.O.I is and why. We will pick one to honor for our first Annual Men Of Impakt recognition award. We will do it every year around Fathers day. All the Men of Impakt that anybody nominates will be mentioned on the Radio show and listed in this article because they are all M.O.I. for sure.

Remember Men you are going to make an impact in this world somehow, somewhere. What do you want yours to look like?

For more information about Men Of Impakt you can go to the website [www.menofimpakt.org](http://www.menofimpakt.org) or email us at [menofimpakt@gmail.com](mailto:menofimpakt@gmail.com). Please like us on Facebook and follow us on Instagram. ■

## Way Finding

BY PASTOR TIM EATON

As parents, we often find it difficult to know what to do when it comes

to guiding our children. Perhaps the most difficult part of that task is the stress we have in knowing how important it is to impart wisdom and direction to our children. At times it seems impossible to teach them anything.

Jesus' parents also dealt with this issue. Once, on their way home from a trip to Jeru-

salem, they discovered that Jesus was not with them as they made their way. We can only imagine their fear as they returned to Jerusalem to look for their missing son.

Their search ended when they discovered him in the temple - His Father's House (Luke 2:39-52). He was sitting at the feet of the elders, learning from them. It seems he knew exactly where he needed to be all along. And what an important lesson for us as parents, that even the Son of God needed to learn in God's House. So the question remains: Will we as parents lead our children to know Jesus, who is Himself the Way,

the Truth, and the Life?

Give your children this opportunity with Edgewater at Vacation Bible School "Shipwrecked" - Where kids learn that God is always there for them! June 4-8, 4:30-7:30pm, at Augie Ramirez Intermediate School. Free dinner for the kids is included every night! Register online and reserve your spot now!

## Super Mom? Is There Any Other Kind?

BY PASTOR MARK LEE

Have you ever noticed how God has given mothers super powers that the rest of us don't

have? For example; have you ever tried to lie to your mom? I remember when I was a little kid, my dad used to take all his change from the day and put it on his dresser. One day, I stole some of that money to buy candy and my mom asked me: "Did you take any money off your dad's dresser?" "Uh, no." She said, "Are you sure?" I said, "yes." Then she said, "Well, your friend Stephen was here. That means that he must have stolen it. So I guess I'm going to have to call Stephen's mom and tell her that her child stole money from our house, and just so you know, he'll probably be out on the street, digging through garbage cans, he'll be sleeping out in the cold..." "Okay, okay...I did it! I did it!" My mom's the best cross examiner that ever lived. You put my mom in a room with O.J. Simpson for an hour and I'll tell you what - she'd

have the truth!

Every mom has special God given super powers and they need it because their job is so difficult. One character on the TV show "The Golden Girls" said, "It's not easy being a mother. If it were, fathers would do it." Whether you're a stay-at-home mom, a single mom, a stepmom, a working mom, it doesn't matter. Mothering is hard work.

The other reason why God has given moms these special abilities is because it's so important. Moms, you are cutting-edge leaders in the people development business. You are molders of human beings. The nurturing you provide, the love you offer, the encouragement, the dreams you instill - all of that is critically important to the future of our world. Abraham Lincoln said, "God bless my mother - all that I am, or ever hope to be, I owe to her." Thomas Edison said, "My mother was the making of me." That's why we honor you mother's. Thanks for all you do.

VantagePoint Church meets at Eleanor Roosevelt High School (7557 Scholar Way, 92880) on Sundays @ 8, 9:15 & 11 am. ■

## Greater Love

BY PASTOR ROB NORRIS

Greater love has no one than this: to lay down one's life for one's

friends

John 15:13

Dick has run several dozen marathons with his son, Rick, in addition to numerous triathlons. Mind you, this was not side-by-side but with Dick pushing his son in a wheelchair, towing him in a dinghy or propping him on the handlebars.

How in the world? More important, why?

During his birth, Rick was strangled by the umbilical cord, leaving him severely brain damaged. Eventually, however - through modern science and his parents' love - he was fitted as a young teenager with a device that allowed him to communicate by controlling a computer cursor with the side of his head. One of the first things he typed was a request to do a five-mile charity run with his dad.

At the time, Dick had never run more than a mile at any one time. He was in his 30s and way out of shape. But he did it anyway, pushing Rick's buggy in front of him as he ran the race. When they got

home that night, Rick typed on his computer, "Dad, when we were running, it felt like I wasn't disabled anymore."

That did it for Dick. He started training for marathons - with a passion. Many have asked Dick why he doesn't try doing one of these on his own, see what he could do. "No way," he says. "I do it simply for the look on Rick's face."

Recently, Dick suffered a mild heart attack during a race. The doctor said, "If you hadn't been in such great shape, you probably would have died fifteen years ago."

Being a real dad is redemptive. It has a way of saving two lives at the same time.

Live It:

Name and celebrate some of the things you and your children have done with each other. Is there some type of heroic achievement you could accomplish together?

Pray:

Give thanks to God for the gift of your children, and ask Him for the continued desire to make them recipients of the full investment of your love.

Please check out Dick and Rick Hoyt video. <https://www.youtube.com/watch?v=rF7Bv9RjIOE&t=2s>.

Meeting @ 10:00 at River Heights Intermediate School 7227 Scholar Way, Eastvale CA. Trusting and believing with you. Pastor Rob ■

## HWGA from page 1

by the Riverside County Airport Land Use Commission and received a conditional finding of conformance with the Chino Airport Land Use Compatibility Plan. Public review of DEIR available from September 27 to November 17, 2016. On March 15, 2017, the Planning Commission reviewed and recommended approval of the project to City Council. City Council public hearing on April 12, 2017, with a staff recommendation to continue the hearing to April 26, 2017. City Council approval on April 26, 2017. Notice of Determination recorded on April 27, 2017

Project: 99 Cents Only Store  
Project Map:

Current Status: Approved. CUP for alcohol sales approved January 17, 2018. Fire water and grading issues halted construction. However, on February 7, 2018 99-Cent Store representatives confirmed that the water issue has been resolved and they anticipate pouring floors in February. They are working with Public Works to resolve the grading problem. On January 24, 2018, the City Council voted 5-0 to appeal the Planning Commission decision and staff is preparing for a new public hearing on March 14, 2018. Project No. 13-1601 Project Location: Northwest corner of Hamner Avenue and “new” Schleisman Road Project Description: Major Development Review for a new 19,104-square foot retail building on 2.67 acres. CEQA:

Mitigated Negative Declaration Planner: Siri Champion/Kanika Kith Notes: Planning Commission approved on June 17, 2015. Approved revised lighting plans on November 17, 2015. Project was purchased by a new owner, who intends to build the approved store. Planning has had initial discussions with the owner regarding plans for the northern portion of the property, but no application has been filed. City staff met with the new owners of the site. They intend to develop the northern half of the property with approximately 10,000 square feet of retail and food uses. Building permit issued December 20, 2016. Grading permit issued on May 4, 2017. See the following related project: o Project No. PLN17-20041 99-Cent Only Store ■

# Woman crashes into Corona Walmart produce section

## Corona from page 1

rest approximately 25 feet into the produce section. Witnesses say, Mickens got out of the sedan, walked away from the scene and left her two passengers engulfed in debris and scattered fruits and vegetables.

Officers found Mickens a little later walking near Smith Street and Pleasant View Ave-

nue, she was detained. When the Paramedics showed up at the scene they determined Mickens needed medical attention. She was transported to a local hospital where she was issued a citation for suspicion of driving under the influence.

She was the only one hurt in the crash.

Many people enquired about the reason the woman wasn't being held in jail.

“If a person in police custody is treated at a medical facility, the taxpayers end up paying for the cost of that treatment,” A Corona police representative explained on Facebook. Just issuing a citation has no impact on the charges the Riverside County District Attorney's Office may file later date.

It's standard operating procedure for the department to issue a citation when a suspect requires medical treatment. ■

# Police need your help to solve fatal hit and run

## Hit & Run from page 1

asking for residents in the community for your help. All information and the previous leads the public provided have been exhausted. The traffic division for the police department is encouraging anyone with information to come forward and contact them at 951-955-2600.

Details:

On Friday, April 25, 2014 at 12:12 a.m., Eastvale Police Officers responded to a reported injury traffic collision at the intersection of Limonite Ave. and Hamner Ave., in the City of Eastvale. During the preliminary investigation it was revealed that an unknown make or model black sedan, traveling westbound in the eastbound lanes of Limonite Ave., failed to stop for a red traffic signal light. As a result, the black sedan collided into a bicyclist, who was traveling southbound on Hamner Ave.

After the collision, the black sedan continued westbound on Limonite Avenue in the eastbound lanes of traffic. The sedan was last seen turning south on Scholar Way. Officers arrived within minutes of receiving being dispatched to

the scene. When they arrived at the scene neither the black sedan, nor the driver of the sedan were in the area any longer. They were never located.

Witnesses on scene described the suspect vehicle as a black, four door sedan. The suspect vehicle fled the scene of the traffic collision westbound on Limonite Avenue and made a left turn onto Scholar Way.

As a result of the collision, the bicyclist ultimately succumbed to his injuries and was pronounced deceased at a regional hospital.

The Eastvale Police Department is seeking help from the public in identifying the suspect and suspect vehicle of this traffic collision. Specifically, the Eastvale Police Department is seeking the help of a good Samaritan, who was driving a tan Chevrolet Suburban. The police believe that they may have seen the suspect vehicle and driver as it fled the scene of the collision.

Anyone with information on this case is encouraged to call Deputy Cuadra at the Jurupa Valley Sheriff's Station at (951) 955-2662. ■

# Make Your Backyard Extreme

## Extreme from page 1

products, you also get years of experience of getting things done correctly and creatively.

Extreme Backyard Designs can provide custom Barbeque islands, outdoor fireplaces, fire pit tables, spas, patio furniture, and many other items all wholesale to the public.

“We are college and trade school educated and

# Riverside County sheriff who thwarted Norco College attack is honored

## Norco from page 1

and dispatcher Jennifer Hall along with other deputies assigned to the Norco and Jurupa Valley stations were all part of the team.

The team was praised for some serious out-of-the-box thinking by members of the department that helped identify the people that were going to cause harm. The City Council members presented the sheriff's employee's with certificates of appreciation.

It was reported that Mayor Ted Hoffman said, “This is the least we do for the fine job you guys did on this matter. “We appreciate what you guys have done here.”

Riverside County Sheriff's Department adamantly declined to describe the methods used by this team to thwart the attack. They also declined to allow Hall to be interviewed because the investigation is still ongoing.

On February 19, investigators tracked threats made on the Facebook page of Jacob Ryan McBain, 27, of Norco. He was arrested two days

later at his Trail Street Home. Reports show that handguns and an assault rifle were seized from the residence.

McBain has been charged with conspiracy to commit murder, two counts of making criminal threats, possession of an assault weapon, two counts of being a felon in possession of a firearm and three counts of illegally possessing ammunition. McBain plead not guilty to all charges and is due back in court this month.

McBain's social media accounts were then used to identify an alleged co-conspirator, Tarence Michael Thomas, 25, of Milwaukie, Oregon. Thomas was arrested on February 28; he faces one count of conspiracy to commit murder. He is currently awaiting extradition from Oregon.

Investigators then used McBain's social media accounts to identify who they said was a co-conspirator, Tarence Michael Thomas, 25, of Milwaukie, Oregon. He was arrested on Feb. 28 and faces one count of conspiracy to commit murder. He is awaiting extradition from Oregon. ■

enjoy the interaction and satisfaction of transforming backyards into a family's personal oasis,” Deeley said. “Since we buy at such a large volume, we always have monthly specials on our website.”

The Extreme Backyard Designs staff are the most knowledgeable and friendly people in the area, as they are centrally located on the corner of the 60 Freeway and Vineyard, right across from the newest Kaiser building.

“We believe what makes a business thrive is to provide the best quality components, a superior level of customer service, while providing an affordable price,” Deeley said.

Serving all of Southern California, Extreme Backyard Designs is located at 2330 S. Vineyard Ave in our neighboring city of Ontario. They can be reached at 909.930.6111, or you can view their website at [www.extremebackyarddesigns.com](http://www.extremebackyarddesigns.com). ■

# Tint Your Windows at Mr. Tint

## Tint from page 1

be costly.

Car window tinting also increases the value of your vehicle when done by professionals like Mr. Tint. Quality car window tinting and expert installation is essential for a professional tint job and maintaining a showroom-quality car.

Mr. Tint has a solution for autos, homes, and commercial buildings. By tinting your windows, you can not only save up to 30% on your cooling costs with a significant decrease in heat, but you can reduce up to 99% of the UV rays that fade auto interiors, window coverings and furniture in your home and

office.

There is one goal prevalent at Mr. Tint, and that is for their customers to be 100% satisfied. They are focused on not only providing a superior product, but with offering competitive pricing alongside exceptional customer service. Mr. Tint believes in treating the customer right in all aspects of their business. By earning your loyalty, you will refer your family, friends and business associates, and come back time and again.

Family owned and operated, Mr. Tint offers free estimates and lifetime warranties. With over 20 years of experience, the quality of their workmanship is second to none. They are complete-

ly sure you will be satisfied, and invite you to see what other customers are saying on Yelp.com.

Business hours are Monday through Friday, 8 a.m. to 5 p.m.; and Saturdays, 9 a.m. to 3 p.m. Same-day service is available, and you can enjoy free beverages and Wi-Fi while you wait, or take advantage of their free shuttle service (within 10 miles).

Mr. Tint is conveniently located just minutes from Eastvale at 1780 Town and Country Drive, #104, in Norco (near the post office and DMV). Call them at (951) 737-7007 for more information, or visit their website at <http://www.mrtint-ie.com>. See their ad on page 5 of this publication. ■

# RIVERSIDE MEDICAL CLINIC IN EASTVALE

In our continuing pledge to ensure that families in the Inland Empire have access to premier health care, we are excited to have a clinic in Eastvale.

At our Eastvale office, we have primary care providers for adults and children who are supported by a caring staff. Additionally, we have lab and imaging services in Eastvale. And when you need a specialist, you are as close as our Brockton Clinic in Riverside. Our Eastvale Urgent Care Center is open weekends.

If we are not caring for you and your family, we invite you to become a member of the Riverside Medical Clinic family today. Visit [www.RiversideMedicalClinic.com](http://www.RiversideMedicalClinic.com) or call us at **(951) 782-3602**.

Riverside Medical Clinic - Eastvale  
Cloverdale Marketplace  
12742 Limonite Ave., Eastvale, CA 92880
