Pack 2017 were honored by the City Council for setting a new record in popcorn sales.

BY ANTHONY SAUDE

**Eastvale-** The Boy Scouts of America have been in the news a lot lately with lots of changes happening in the organization. Now while everybody has their own opinion about what is going on the boys just keep showing up and doing what they do. There is no other pack that personifies this more than pack 2017 of Eastvale California.

Tom Donatoni, the leader of pack 2017 focuses on the scouts and making sure they

stay focused on what the job at hand requires of them at the time. Pack 2017 was once part of a pack that got so big they had to split it into 2 separate packs. Tom took over pack 2017 and the growth was faster than anybody imagined. Tom helped the leaders stay true to who they are, a team, and their growth soon surpassed pack they had split from.

"I may have the title of the pack leader but I don't see myself as that, I have a team of leaders that I couldn't do

## Eastvale Congratulates City Manager, Michelle Nissen

BY CITY OF EASTVALE

**Eastvale-** The City of Eastvale is thrilled to congratulate City Manager, Michele Nissen on her next endeavor.

Michele has accepted employment with the City of Corona, where she will serve as their new Assistant City Manager. "I am very happy for Michele as she embarks on this new chapter," Mayor Clint Lorimore said. "In the time that Michele has been with the City of Eastvale, she has taken the city to the next level; and although she will be dearly missed, I know she will do an outstanding job in her new role."

Michele Nissen was appointed as Eastvale's City Manager on May 13, 2015. Nissen's years of service to Eastvale date back to the City's incorporation and encompass the roles of Interim City Manager, Acting City Manager, Assistant City Manager, Public Information Officer, and Vice Chairman of the Planning Commission.

During Nissen's tenure with

Eastvale, she has delivered a balanced budget year over year while building healthy reserves. Nissen will again deliver a balanced budget for Fiscal Year 2018-2019 and she will leave the City with an estimated surplus of \$6.5 million-dollars for FY 17/18. Eastvale will have approximately \$35 million in reserves as part of the proposed draft budget. This is a huge accomplishment for an infant City; despite weathering the end of the "great recession" and having lost approximately

## NORCO

## Grand Jury to Investigate Public Park with Admission Fee

#### STAFF REPORTS

**Norco-** The Riverside County Grand Jury is alleging Norco turned the 122-acre SilverLakes property that was intended for "public park, recreational and open space purposes" into a money-making venture that features a full-service restaurant and bar and charges people admission.

And the grand jury is calling on the district attorney to probe

Norco officials' handling of the project, the panel stated in a report issued last week.

"The SilverLakes Equestrian and Sports Complex is not a public park" as envisioned in a 2002 federal court order restricting use of the land north of the Santa Ana River along Hamner Avenue, the report states

Norco officials dispute the grand jury's contention and say

## CORONA

## New Treatment for Ovarian Cancer Begins in Corona

#### STAFF REPORTS

**Corona -** Ovarian cancer is the fifth leading cause of cancer death among women in America today. It is estimated that over 22,000 women will be diagnosed with in 2018.

To combat this disease, new treatments are being developed every day and Dr. Mehdi Kebria of City of Hope's Community Practice Sites in Corona and Rancho Cucamonga is helping to

## Angiel Air: Summer in the IE is Here

#### STAFF REPORTS

**Eastvale -** Summer may not have officially started but those who live in the IE know it is coming. We have already had a few days of high heat just to keep us honest. The Inland Empire is known for triple digit temperatures and those who reside here know how brutal the lingering heat can be. It would be prudent to ensure that your air conditioning unit is running at peak performance before it gets too hot. It can also save you big bucks in the fu-

# CITY OF EASTVALE HIGHLIGHTS

## Residential Clean Up & Paper Shredding Event Success!

We had a great turnout at our recent Residential Clean Up & Paper Shredding event on May 26, 2018. In fact, a total of 481 vehicles participated.

We are excited to share that with the help of Waste Management, we collected the following at this event:

- 4.6 tons of shredded paper
- 12.9 tons of trash
- .24 tons of mattresses
- 49.02 tons of metal

The total trash collected was 66.76 tons, with 12.9 tons of trash and 53.86 tons of recycle. We recycled 81% of the trash collected which is outstanding!

We want to remind Eastvale residents that there are great services provided such as the FREE bulky item collection. To schedule a bulky item pick up, call Waste Management at 800.423.9986 at least 24 hours in advance of your regular collection day.

## What Is The I-15/Limonite Interchange Project?

Did you know that 33,050 vehicles average daily on Limonite Avenue? It is anticipated that come 2035, approximately 65,000 vehicles will travel Limonite Avenue daily.

The upcoming I-15/Limonite Avenue Interchange Project improvements will significantly improve the congestion associated with the current and planned development. This project will also enhance the quality of life in the Eastvale community by the features such as added bike lanes to the overpass.

The improvements from the project will consist of a new 8-lane overcrossing, three through lanes in each direction and 2 turn lanes. This will widen the off ramps from two to four lanes in each direction between Hamner Avenue and Wineville Avenue.

This much needed project is anticipated to begin in September of 2018 and completed in December of 2019.

For more info, visit: [rcprojects.org/limoniteinterchange](http://rcprojects.org/limoniteinterchange).

# A Message From the Mayor of Eastvale

**BY MAYOR CLINT LORIMORE**

With summer just around the corner, we find ourselves nearly at the half way point of a landmark year for the City. Whether talking about increased patrol hours for our Police Officers, or all the new and exciting businesses

coming to Eastvale such as Costco Wholesale and In-N-Out, there is much to be proud of as we continue to grow our young community.

Eastvale continues to be a place that people want to live, work and play. As we grow with new homes and businesses, your City Council is working hard to lessen the impacts of increased traffic on our roads. One such effort is the upcoming I-15/Limonite Avenue Interchange Project. Starting construction in September of 2018, the improvements once complete will decrease commute times, giving us all more time at home with our families and less time on the road.

I want to invite you to our 7th Annual State of the City Address where you can learn more about this project, along with other goals

for the future of our City. The State of the City will be held at Eleanor Roosevelt High School on Tuesday, July 24, 2018 at 6:00 p.m. This is a terrific opportunity to celebrate our City, community partners, employees, and first responders.

In addition to learning about where our City is and where it is headed, the Eastvale State of the City Address also provides an excellent forum to meet with your City Council members, and City Staff. Of course, it wouldn't be an Eastvale State of the City without our annual Taste of Eastvale, compliments of the Eastvale Chamber of Commerce. This year's food selection is going to be great!

I also encourage you to stay connected with us in our weekly electronic newsletter, "Eastvale Weekly", social media, and our E-Notifica-

tion system. For more information on these outreach platforms, visit our website at [www.EastvaleCA.gov](http://www.EastvaleCA.gov). There are many great things that we share throughout the week and we want you to be the first to hear it, straight from the source!

As your Mayor, I want to personally thank you for your feedback. The input that we as a Council receive from Eastvale residents is always valued and considered when decisions are made. To help the City Council best serve the Eastvale community, we need to hear from you. Please join us at our City Council meetings that are held on the second and fourth Tuesday of the month at 6:30 p.m. at Rosa Parks Elementary located at 13830 Whispering Hills Drive in Eastvale. Get involved, stay connected, and ask us questions. ■

## Marcus Williams to Host FREE Football Camp

**STAFF REPORTS**

**Eastvale** - New Orleans Saints Safety Marcus Williams will host a USA Football FUNDamentals clinic for children ages 8-12 from 9 a.m. to 12 p.m. Saturday, June 30, 2018 at Eleanor Roosevelt High School 7447 Scholar Way, Eastvale, CA 92880. The fun and free event is designed to introduce children to football by teaching basic skills in an exciting and energetic environment and is supported through a grant from the NFL Foundation.

FUNDamentals incorporates a series of drills to teach passing, catching and running skills in a non-contact setting. All skills and drills selected are based on USA Football's Player Progression Development Model, ensuring children are learning in an age-appropriate manner, based on their cognitive and physical maturity. USA Football is the sport's national governing body and is a member of the U.S. Olympic Committee.

**WHO:** New Orleans Saints Safety Marcus Williams and children age 8-12 from throughout the local area

**WHAT:** Marcus Williams Football Camp in partnership with USA Football's FUNDamentals program

**WHEN:** 9 a.m. to 12 p.m. Saturday, June 30, 2018. Registration is 8 a.m. to 9 a.m.

**WHERE:** Eleanor Roosevelt High School located at 7447 Scholar Way Eastvale, CA 92880

**HOW:** Online registration is available at <http://tiny.cc/marcuswilliamscamp>.

Media outlets are welcome to attend. Marcus Williams and other instructors will be available for interviews following the clinic.

About USA Football: USA Football designs and delivers premier educational, developmental and competitive programs to advance and grow the sport. As the sport's national governing body, member of the U.S. Olympic Committee and organizer of the U.S. National Team for international competition, USA Football partners with leaders in medicine, child advocacy and athletics to support positive football experiences for youth, high school and other amateur players.

About the NFL Foundation: The National Football League Foundation is a non-profit organization dedicated to improving the lives of those touched by the game of football – from players at all levels to communities across the country. The NFL Foundation represents the 32 NFL clubs and supports the health and running back of athletes, youth football and the communities that support our game. For more information on the NFL Foundation, visit: [www.NFLFoundation.org](http://www.NFLFoundation.org). ■

# DOJ Honors Families of Norco Vietnam Veterans

## STAFF REPORTS

**Norco** – On behalf of the City of Norco and the families of Norco Vietnam veterans, the George A. Ingalls Veterans Memorial Executive Committee has successfully requested Certificates of Honor from the United States of America Vietnam War Commemoration. This honor is part of the Commemoration's Commemorative Partner Program and recognizes immediate family members of the veterans who are listed on the Vietnam Veterans Memorial in Washington, D.C. These veterans are also honored on the "Lest We Forget" Wall at the George A. Ingalls Veterans Memorial Plaza.

The Certificates of Honor and accompanying lapel pins will be presented to the immediate surviving family members of the following Norco Vietnam veterans: George A. Ingalls, Emmitt James Wilkey, Jr., Herold Troy Deardorff, Timothy J. McKiernan, and Clyde Douglas McDonald. The presentation will take place at the City of Norco's Memorial Day Ceremony, Continuous Salute and Monument Unveiling on Monday, May 28, at the George A. Ingalls Veterans Memorial Plaza. The ceremony will begin at 10 a.m. and the Continuous Salute will take place from 9 a.m. – 11 a.m. The community is invited to celebrate the unveiling of the new POW/MIA Monument, honor two veterans who were recently inscribed on the "Lest We Forget" Wall, and recognize the recipients of the Certificates of Honor.

The City of Norco is proud to participate in the United States of America Vietnam War Commemoration's Commemorative Partner Program. City Council Member and founding member of the George A. Ingalls Veterans Memorial Executive Committee Kevin Bash

stated, "I am really proud of the fact that the City of Norco is the first city in California to participate in this program, and I am really proud that the Veterans Committee and the Norco community never forget those that made the ultimate sacrifice for their country."

The Commemorative Partner Program is an organizationally-based, hometown-centric, veteran-focused program designed for federal, state and local organizations to assist a grateful nation in thanking and honoring Vietnam veterans and their families where they live and work. It is the primary vehicle by which the nation thanks and honors Vietnam veterans and their families.

The City of Norco participates in the Commemorative Partner Program by planning and conducting events and activities that recognize Vietnam veterans and their families' service and sacrifice. The City continues to host commemorative events and activities that are dignified, memorable occasions that show a sensitivity and appreciation for the solemnity of war, the losses suffered by many, and the sacrifices of all who served. The City's events and activities meet the Congressionally-mandated objectives of the program, specifically by thanking and honoring veterans of the Vietnam War, including personnel who were held as prisoners of war or listed as missing in action, for their service and sacrifice on behalf of the United States, thanking and honoring the families of these veterans, and highlighting the service of the Armed Forces during the Vietnam War.

# Eastvale's Picnic in the Park

## BY ANTHONY SAUDE

**Eastvale**— As June winds down many local residents will head down to Eastvale's Annual Picnic in the Park celebration, an annual event that draws hundreds of thousands of people.

The Annual Picnic in the Park kick off is a free pre-4th of July celebration with a three-day festival hosted by the Jurupa Community Services District Parks and Recreation Department.

Those who have lived in the City of Eastvale for awhile know that Picnic in the Park is the one event everyone looks forward to every year. Picnic in the Park has become a tradition to kicking off the summer for many residents.

This year, many residents and nearby locals will enjoy live music, inflatable jumpers, picnic games, carnival rides, and more than 90 vendors will be selling

food and merchandise.

On opening day, Friday, June 22, will feature a live musical performance by the "The Answer" a classic rock cover band. Show starts promptly at 7 p.m.

On Saturday, June 23, the event will be open to the public from 2 p.m. to 11 p.m. this day is perhaps the most anticipated day of them all. Many residents will rush in to save themselves the "perfect spot" to view the anxiously awaited firework show to begin at 9 p.m.

The three-day celebration will continue Sunday, June 24 from 3 p.m. to 10 p.m., with a salsa making contest, many local residents will be there to vie for the coveted annual prize.

This year's Picnic in the Park will begin a summer season of non-stop fun for children and adults in the Eastvale and the surrounding communities. And

if this wasn't enough, Moonlight Cinema will be back again this year offering a night of family fun in watching some of your favorite movies under the stars. Bring your chairs and blankets to watch the following movies that will be shown at Orchard Park.

Future movies include:

-June 9- The Lion King

-July 7 – Grease

-August 11 – The Incredibles

-September – Only the Brave

As the City of Eastvale keeps growing so do the events! For those who attended the 2016 Picnic in the Park, JCSD wants to hear from you. You can go to [www.surveymoneky.com/s/JCSDPIP](http://www.surveymoneky.com/s/JCSDPIP) and take the survey that will include about 44 questions to share any comments or recommendations for next year's Picnic in the Park. For additional information visit [www.parks.jcsd.us](http://www.parks.jcsd.us) or call (951) 727-3524. ■

# Area Crime Recap: May 2018

## RIVERSIDE COUNTY SHERIFF’S DEPARTMENT

INCIDENT: DOMESTIC VIOLENCE/ ATTEMPTED MURDER

WHEN: 5/2/18  
WHERE: 31000 Block of Allen Avenue, Homeland, CA

DETAILS: On Wednesday, May 2, 2018, at 1:54PM, Perris Station Deputies were dispatched to a residence situated in the 31000 block of Allen Avenue, Homeland, CA after receiving a 911 call for help. When deputies arrived, they located 40-year old Richard Anthony Lopez suffering from gunshot wounds. They also contacted a 34-year old female at the residence who suffering from numerous injuries to her head and face. Lopez was provided First Aid and transported to Inland Valley Hospital in Wildomar for professional medical treatment. Paramedics also administered first aid to the female, but she declined additional medical treatment at the time. Perris Station investigators deployed to the scene and acquired evidence and statements to determine what had occurred. The female was subsequently transported to the Perris Station and interviewed. Several hours later, Lopez was released from the hospital and transported to the station for further investigation. The investigation revealed Lopez and the female were involved in an on-again/off-again relationship. Today, Lopez arrived at the female's residence unannounced and uninvited. While there, Lopez beat the female and brandished a firearm as he threatened to kill her. At some point during the altercation, Lopez set the firearm down. The female quickly grabbed the gun to defend herself and ordered Lopez to leave her house. Lopez refused to do so and attempted to assault her again. The female discharged several rounds from the firearm, striking Lopez in the process. After Lopez was interviewed, he was transported to the Cois Byrd Detention Center to be booked for Attempted Murder, Domestic Violence, Criminal Threats and Felon in Possession of a Firearm. Bail was set at \$1,000,000.00. This investigating is ongoing. Anyone with information regarding this investigation is encouraged to contact Investigator Cassie Pemberton at the Perris Station by calling (951) 210-1000, or by email at [PerrisStation@RiversideSheriff.org](mailto:PerrisStation@RiversideSheriff.org).

INCIDENT: MAJOR INJURY TRAFFIC COLLISION

WHEN: 5/8/18  
WHERE: Clay Street X General Road, Jurupa Valley

DETAILS: On Tuesday, May 8, 2018, about 9:53 PM, officers from the Jurupa Valley Police Department responded to a major traffic collision on Clay Street X General Road, in Jurupa Valley, involving two vehicles. Upon arrival, officers discovered one of the drivers was unconscious and unresponsive. Both drivers were transported by American Medical Response paramedics to local hospitals. Officers learned one of the drivers was traveling at a high rate of speed on Clay Street and it appeared he lost control of the vehicle, which caused it to drift into the oncoming lane of traffic, striking a vehicle stopped at a red light. The Jurupa Valley Station's Traffic Reconstruction Team is conducting a full investigation to determine the cause of the collision. Anyone with additional information is encouraged to call Deputy Robles at the Jurupa Valley Station, 951-955-2600. Persons who wish to report

criminal activity and wish to remain anonymous can call crime stoppers at 800-78-CRIME (800-782-7463) or 800-47-DRUGS (800-473-7847). You can also leave anonymous information at [www.riversidesheriff.org/tipline](http://www.riversidesheriff.org/tipline) or [www.wetip.com](http://www.wetip.com).

INCIDENT: DUI/DRIVER'S LICENSE CHECKPOINT RESULTS

WHEN: 5/11/18  
WHERE: Limonite Avenue X Spectrum, Jurupa Valley

DETAILS: The Jurupa Valley Police Department Traffic Unit conducted a DUI/Driver's License Checkpoint on Friday, May 11, 2018, near the intersection of Limonite Avenue and Spectrum, between the hours of 8:00 p.m. and 2:00 a.m. Checkpoints are placed in locations that have the greatest opportunity for achieving drunk and drugged driving deterrence and provide the greatest safety for officers and the public. Driving under the influence of alcohol can have deadly, devastating consequences. Nationally in 2016, 37,461 people were killed in motor vehicle traffic crashes, and 28 percent (10,497) died in crashes where a driver had a blood alcohol concentration (BAC) over the limit of .08. California reported 1,059 DUI deaths at .08 or above. In recent years, California has seen an increase in drug-impaired driving crashes. The Jurupa Valley Police Department supports the new effort from the Office of Traffic Safety that aims to educate all drivers that "DUI Doesn't Just Mean Booze." If you take prescription drugs, particularly those with a driving or operating machinery warning on the label, you might be impaired enough to get a DUI. Marijuana use can also be impairing, especially in combination with alcohol or other drugs, and can result in a DUI. "Two simple words can keep your holiday festivities safe – plan ahead," said OTS Director Rhonda Craft. "Before you head out to any celebration, plan how you are getting home safely. If you are drinking, that means knowing what sober driver or service you will be using."

Results:

- 951 Vehicles screened
- 1 DUI-Alcohol suspect arrested

- 22 Drivers cited for operating a vehicle unlicensed or while suspended/revoked

- 9 Vehicles towed
- 3 Warrants served
- Drivers are encouraged to download the Designated Driver VIP, or "DDVIP," free mobile app for Android or iPhone. The DDVIP app helps find nearby bars and restaurants that feature free incentives for the designated sober driver, from free non-alcoholic drinks to free appetizers and more. Funding for this DUI operation is provided to the Jurupa Valley Police Department by a grant from the California Office of Traffic Safety, through the National Highway Traffic Safety Administration, reminding everyone to 'Report Drunk Driver – Call 9-1-1'.

INCIDENT: SUSPICIOUS DEVICE

WHEN: 5/14/18  
WHERE: 68th Street x 15 Fwy, Eastvale

DETAILS: On May 14, 2018, at 9:38 AM, deputies from the Eastvale Police Department responded to report of a suspicious device on 68th Street in the city of Eastvale. Deputies arrived and set a perimeter, closing off traffic on the surrounding streets. The Riverside County Sheriff's Department Hazardous Device Team responded to the location and inspected the suspicious

device. A preliminary investigation revealed the device to be a modified, commercial firework. The suspicious device was rendered safe at the scene and collected as evidence. Their was no damage to property due to the suspicious device and no injuries reported. Anyone with concerns related to suspicious or criminal activity is urged to contact the Eastvale Police Department at 951-955-2600.

INCIDENT: HOMICIDE

WHEN: 5/14/18  
WHERE: Grape Street and Rail Road Canyon, LAKE ELSINORE

DETAILS: On May 14, 2018, at about 3:30 p.m., officers assigned to the Lake Elsinore Police Department were dispatched to Rail Road Canyon and Grape Street to a report of a shooting. The victim, Henry Shannon, a 35-year-old male, left the scene of the shooting in his vehicle. He was involved in a single vehicle traffic collision near Rail Road Canyon and Church Street. Officers performed life saving measures and Shannon was transported to a local hospital where he later died from injuries sustained from the shooting. The investigation is currently on-going and no further information will be released at this time. If anyone has information regarding this investigation, they are encouraged to call Detective Stoyer with the Central Homicide Unit at 951-955-2777 or Detective Kelleher with the Lake Elsinore Police Department at 951-245-3300.

INCIDENT: WANTED GANG MEMBER ARRESTED FOR POSSESSION OF AN ASSUALT WEAPON AND DRUGS

WHEN: 5/11/18  
WHERE: 10000 Block of 50th Street, Jurupa Valley

DETAILS: On Thursday, May 10, 2018, members of the Region 7 Regional Gang Task Force investigated an active assault with a deadly weapon investigation in the 10000 Block of Palomino Drive in Jurupa Valley. Task Force officers were able to identify the suspect as 22-year old Jurupa Valley resident James Ysais. Task Force officers previously knew Ysais was a documented member of a criminal street gang and was wanted on a \$250,000 felony vehicle theft and evading arrest warrant. On May 11, 2018, members of the Region 7 Gang Task Force located Ysais at a residence in the 10000 Block of 50th Street in Jurupa Valley and located credible evidence linking Ysais to the previous assault with a deadly weapon investigation. Additionally, Ysais was linked to a robbery that occurred on May 2, 2018 in Jurupa Valley. Ysais also was found to be in possession of a loaded assault weapon with a high capacity magazine along with additional ammunition and methamphetamine. Ysais was arrested and booked into the Robert Presley Detention Center for the following charges:

- Possession of an assault weapon with a controlled substance
- Gang member in possession of a loaded firearm
- Gang enhancement
- No bail parole violation warrant
- Felony vehicle theft and evading warrant
- Robbery
- Assault with a deadly weapon
- Felon in possession of a firearm
- Under the influence of a controlled substance while armed

Anyone with additional information

is encouraged to contact Sergeant Frank Lodes from the Region 7 Regional Gang Task Force at (951) 955-2734. The Region 7 Gang Task Force is one of eight teams composing the Riverside County Regional Gang Task Force, which is a collaborative effort of 25 law enforcement agencies with the goal of combating criminal street gangs throughout Riverside County. The Region 7 Gang Task Force is composed of members from the Riverside County Sheriff's Department, California Highway Patrol, Probation and Parole.

INCIDENT: ASSAULT WITH A DEADLY WEAPON/ STABBING

WHEN: 5/17/18  
WHERE: Mission Boulevard and Packard Avenue, Jurupa Valley

DETAILS: On May 17, 2018, Jurupa Valley Deputies responded to the intersection of Mission Boulevard and Packard Avenue, in the City of Jurupa Valley, to investigate a stabbing. Deputies learned that a male, and a dog, had been stabbed during a fight. Deputies detained a male nearby and he is being questioned by Detectives. Deputies located a second male who had been stabbed at a local hospital. Deputies located the dog at a local veterinary hospital. Both stabbing victim and dog sustained knife wounds, but they are both expected to survive. The investigation is on-going. Anyone with further information is encouraged to contact Detective Merrill #3118 from the Jurupa Valley Sheriff's Station at (951) 955-2600.

INCIDENT: ILLEGAL SOLICITATION/ NARCOTICS ARREST

WHEN: 5/11/18  
WHERE: Valley Way and Highway 60, Jurupa Valley

DETAILS: On May 11, 2018, Jurupa Valley Deputies responded to the area of Valley Way and Highway 60, in the City of Jurupa Valley, in response to complaints of pedestrian soliciting money in violation of the city's Municipal Code. The City of Jurupa Valley has enacted §11.15.060, which generally prohibits people from soliciting on roadway median strips, at traffic intersections, and in public roadways. The intent of this statute is to minimize safety hazards to pedestrians in roadways, alongside roadways, and to drivers and passengers in vehicles traveling on the roadway. Deputies contacted Rocco Vitale (age 30) standing in the center median strip, holding a sign identifying himself as homeless, soliciting occupants in passing vehicles for money. Aside from being in violation of the city's Municipal Code, Vitale was arrested for possessing illegal narcotics and narcotic paraphernalia. Many cities throughout Riverside County have followed suit and have similar statutes prohibiting solicitation on or near roadways. The Riverside County Sheriff's Department appreciates the vulnerability of our homeless population, but generally discourages people from providing money to solicitors alongside roadways, as there are several alternative ways to help our homeless residents.

Below is a list of local county and non-profit partners who provide shelter, medical aid, food and emergency services here in the Jurupa Valley area:

- Corona/Norco Rescue Shelter offers housing and food services (951) 279-1300
- Path of Life, Riverside which functions as a community shelter (951) 683-4101
- HHOPE- Riverside Universi-

ty Health System which provide emergency/transitional housing (951) 715-5050

- Teen Challenge Recovery Home is a faith based transitional housing for men and women (951) 683-4241

- Whiteside Manor, Riverside operates drug and alcohol rehabilitation programs (800) 300-7326

- Operation Safehouse, Riverside is an emergency shelter for at-risk youth (951) 351-4418

The Riverside County Sheriff's Department encourages concerned citizens to donate their money and/or time to these organization as opposed to donating alongside public roadways. Additionally, the Riverside County Sheriff's Department has Deputies assigned to a Homeless Outreach Team (HOT), to help build positive relationships with our homeless population. This team offers social services and outreach programs not traditionally provided by law enforcement agencies. This team is stationed out of the Jurupa Valley Sheriff's Station. For further information, or to discover alternative ways on how YOU can help, HOT can be reached at (951) 955-2600.

INCIDENT: FATAL HIT AND RUN TRAFFIC COLLISION

WHEN: 5/28/18  
WHERE: Hall Avenue, south of 26th Street, Jurupa Valley

DETAILS: On Monday, May 28, 2018, at 2:47 a.m., officers assigned to the Jurupa Valley Police Department responded to the area of Hall Avenue south of 26th Street reference a body found in the roadway with obvious signs of trauma. Officers on scene observed injuries to the deceased consistent with being struck by a vehicle. The pedestrian was pronounced deceased on scene by CDF personnel at 2:52 a.m. Members of the Jurupa Valley Traffic Team responded to the scene to assume the investigation. The preliminary investigation determined the deceased was traveling south on Hall Avenue via a skateboard, when an unknown vehicle struck the victim and fled the scene. It is unknown if alcohol and/or drug impairment were a factor in this collision at this time. The Jurupa Valley Police Department's Traffic Collision Reconstruction Team is currently conducting this investigation. This investigation is ongoing, and we are asking anyone with additional information to contact Deputy Krusbe at the Jurupa Valley Station at 951-955-2600.

INCIDENT: POSSESSION OF STOLEN VEHICLE

WHEN: 5/31/18  
WHERE: 12400 Block of Limonite Avenue, Eastvale

DETAILS: On May 31, 2018, around 11:55 PM, deputies assigned to the Eastvale Special Enforcement Team were conducting burglary suppression in various Eastvale shopping centers. During the patrols of a parking lot located near the 12400 block of Limonite Avenue, a deputy spotted an occupied vehicle parked in front the of the entry doors of a closed business. The deputy detained the driver and determined the vehicle was reported stolen from the city of Fontana. The driver, Ronald George Pena of Fontana, was arrested and booked into the Robert Presley Detention Center for possession of a stolen vehicle. Anyone with information regarding this investigation is encouraged to contact Deputy Kiley Hansen at the Jurupa Valley Sheriff's Station, 951-955-2600.

Healthy Living

Smart, Healthful Snack Tips for People on the Move

PHOTO COURTESY: STATEPOINT

BY STATEPOINT

Does your schedule, have you on-the-move? Check out these easy ways to healthfully keep hunger at bay, no matter where your busy life takes you, including at home!

Make Mini Meals

Instead of big heavy meals, think in smaller bites. Combine your favorite proteins, veggies, fruits and nuts into “snack style” meals that leave you satisfied, but not low on energy from just eating too much. Pick flavorful foods for last-

ing satisfaction.

Go Mediterranean

The Mediterranean diet is renowned for being both delicious and healthful. So, skip the chips and take a culinary cue from this region of the world for smarter snacking.

Flavorful, low-calorie, and low-carb olives provide a great centerpiece to any snack. Look for super easy options like Pearls’ Olives to Go! Infused Olives, which come in portable cups with peel-back lids. Since there’s no liquid and no refrigeration needed,

it’s an easy option to bring along to work, school, the gym or on trips. Great on their own, flavors include Sriracha, Taco and Italian Herb. For more information, visit Olives.com/pearls.

Desk Drawer Delights

Sitting for long hours takes its toll. Take a brisk walk every day for a healthier outcome. A little snack afterwards is a welcome reward. Keep fruit, olives or a handful of nuts on-hand to avoid that junk food vending machine down the hall!

Best

Keep an eye on packaged food labels and be aware of the calorie count of your favorite snack items. For example, 10 large olives are only about 35 calories and a small apple is about 75 calories. A protein rich hard-boiled egg is about 80 calories and 10 almonds are 70 calories.

Having knowledge about your food gives you control and prevents later regrets. Look for products packaged in reasonable portions, such as the Pearls Olives to Go!. With several varieties weighing in at 35 calories per cup, this is a choice you can feel good about.

Boarding Passes

Air travel is now notoriously lacking in tasty on-board snacks, save for a few peanuts often drenched in sugar. Packing some satisfying snacks with good fats and proteins is the trick

to battling inflight munchies. Olives, roasted seeds and nuts, crunchy carrot sticks and a few squares of cheese can be life savers.

Power to the Pantry

Being prepared applies here! Keeping your pantry and refrigerator stocked with the right foods is key to being a super-snacker, not a slacker snacker, and will help to satisfy cravings and curb weight gain. Don’t even allow the junk foods in the door!

A well-provisioned pantry should include seeds, nuts, dried fruits, olives in portioned cups and some lean jerky snacks. Stock the refrigerator with portion-controlled cheese snack squares and sticks, chilled sparkling water, fresh veggie slices, hard-boiled eggs and tofu squares.

With these tips, you’re ready to power-snack and stay fueled for whatever your day throws at you. ■

# 100% Living as a Follower of Jesus

BY PASTOR  
SEAN ORTIZ

Ever notice in life some things don't work our well if we don't give 100%. I know that my son does not do his schoolwork 100% until the last 2 weeks of school. Then he is stressing out those last 2 weeks. I think there are many Christians today who tend to not give 100% to their faith until there is a crisis. Then it is all out for Jesus. In Matthew 16:13-25 Jesus ask the Disciples who do you say that I am. Peter responds and say you are the Messiah. Jesus responds and say yes, the Lord has revealed this to you. Then Jesus explains the sacrifice He will make at the cross. Then Peter, tells Jesus NO that will

never happen I will not allow it. Jesus was explaining the cost of what 100% looks like. The Peter says no I will not allow 100%. Jesus then rebukes Peter and says NO and says these words to him, "If anyone wishes to come after me, he must deny himself and take up his cross and follow Me.". Powerful words, what is dying to self?

To give all my life I must set myself aside. Jesus says if anyone wishes, He does not demand it, it is a choice. It is not based on what we feel or think but on what Jesus says and does. To many people today are telling everyone what they feel and think. Look on social media today and you can see the divisiveness of that way of thinking. To give all I must lose myself which involves us letting Jesus direct

our live through scripture. The answer to many things we face is in the word. The next thing is to die to self. John 12:25-26 says "If anyone serves Me, let him follow me;". It is a sacrifice but what it produces can be found in Galatians 5:22-23. Jesus says you will know them, My followers, by their fruit. Meaning my followers will have a spirit of love, joy, peace, patience, kindness, goodness, faithfulness, gentleness and self-control. This is what denying yourself and being a follower of Jesus is and what it needs to look like as we live in this world 100% for Jesus. EVERYDAY CHRIST LIKE LIVING, YOU CAN DO IT!!!!.....LET GO and LET GOD.

# 'Men of Impakt' Radio Show is One Year Old

STAFF REPORTS

It has been a full year since the first Men of Impakt show aired on Hope Radio 247, to memorialize this event the first annual Men Of Impakt recognition Award announced for Father's Day. There are lots of everyday heroes out there that deserve to be recognized let them know what you think. So who is the Man of Impakt in your life? Submit a 500 word or fewer essay describing why your Man of Impakt should be chosen for the year of 2018. All essays will be reviewed and one will be picked to receive the award this year. All submissions will get an honorable mention on the radio show.

Anthony Saude, a talk radio host at "Men of Impakt," has always thought of starting a positive movement to reestablish Christian values and ideals

as things for youth to aspire to. Concerned about a growing trend of people rejecting traditional morals and virtues, Mr. Saude has become motivated to effect positive change in the world.

"We taught our children to look at the wrong heroes," says Mr Saude. If we continue down this path, "we're headed to Hell in a handbasket." Mr. Saude believes that by showing the world good, ordinary men who do the right thing and "take care of the kids [and] treat [their] wives well," he can inspire a new generation of Christian men who uphold the virtues of Jesus and the Bible.

By "modeling ourselves after Jesus," we can become a "Mighty Man of Valor" just as the Bible says, says Mr. Saude. We need to "fight outside pressures to do what makes you feel good" and instead do what's right by "following Jesus, doing the right thing, and making it known."

Although his radio show "Men of Impakt" features men,

Mr. Saude makes it clear that he does not intend to suggest that there are no "Women of Impakt" but rather it is men who should bear the responsibility of fixing a morally corrupt world. Because "women did not create sex trafficking, porn, [and] domestic violence," it is "Men [who] screwed it up, [men who should] fix it."

From a Bible study group at church, Mr. Saude partnered with Shawn Kelly at Hope Radio 24/7 start "Men of Impakt.". The mission is to give people hope no matter what they might be going through in their lives. The show will give listeners a chance to learn about marriage, optimal health, tribulation, finance and perseverance from a Christian perspective.

# Time to Move

BY DENNIS MORALES

*"You have dwelt long enough at this mountain." Deuteronomy 1:6*

That favorite place to sit in the house, that favorite route to work (if there is one), that favorite spot in church, what about that last vacation and the urge to find property there. It's been said that "comfort is king." God positioned the people at the base of Mount Sinai. In the year that God had the people of Israel at the mountain, He gave them the Law and instructed them how to worship. But something else happened in that year. The people grew comfortable. So God tells them, it's time to move. One of the great obstacles for us is to begin to think that he had already arrived at our destination. Because you got used to routine and thought that "what is now is the best." Israel saw leaving the mountain as a challenge. I believe challenges are designed by God to keep us dependent on Him. The

people grew comfortable and dependent upon routine rather than upon God. In this mountain they experienced manna, quail, and nurturing of God. The thing about this place is that they felt secured and comforted, but God had so much in store for them. In fact later on God says I have "set the land before you." God wanted the people to take things to the next level. What is holding you back right now? Comfort? Failures? Past hurts? We have nice cars, nice homes, nice kids, nice neighborhood, nice jobs, nice clothes, nice church? Why change anything you say? Remember, God never intended for the Christian or the church to stand still! He has so much in store for you. Accept the challenge to get moving. "I do not count myself to have apprehended; but one thing I do, forgetting those things which are behind and reaching forward to those things which are ahead." Philippians 3:13.

Calvary Chapel Eastvale meets at Clara Barton Elementary. Services are held Sundays at 8:30 and 10:30am. Wednesdays at 7pm. ■

# Greater Love

BY PASTOR ROB NORRIS

*"God has reserved a priceless inheritance for His children. It is kept in*

*heaven for you, pure and undefiled, beyond the reach of change and decay." 1 Peter 1:4*

A man at speaking engagement in Switzerland stayed at a beautiful hotel, compliments of the conference host. Each day, as he walked through the lobby, he passed the hotel's lavish dining room and smelled the wonderful aromas of delicious entrees and desserts. But, determined to save money, he bought fruit, cheese, and crackers from a local market and lived on that all week. As he was packing to leave, his host asked him how he had enjoyed the cuisine. He stared at him in amazement. He had not informed him upon his arrival that his meals were included! The hotel had one of the finest chefs in the entire country. He could have eaten like a king.

Let's think about this and apply it to our own lives. If we

are unaware of our wonderful spiritual inheritance, we will miss out on a bountiful banquet which God has prepared for us.

But simply understanding our spiritual inheritance isn't enough. Many of us live spiritually poor because we don't really believe God. We don't take Him at His Word. But if God really is absolute truth, then we can and should stake our very lives on his Word.

Satan will do anything to prevent us from fully experiencing the blessings we inherit as God's dearly loved children. He will try to convince us that the treasure is worthless. Or, he will sow seeds of insecurity and guilt so we feel undeserving. But we must not believe his lies!

LIVE IT!

Make a decision to believe it and hold on to God's promise by faith without wavering. Because God is absolute truth, I will believe what He says and Live It.

Meeting @ 10:00 at River Heights Intermediate School 7227 Scholar Way, Eastvale CA. Trusting and believing with you, Pastor Rob ■

# Grand jury wants DA to probe how public park ended up with admission fee, sit-down restaurant and bar

Norco from page 1

the development is in compliance with the court-ordered restriction.

“They are interpreting it wrong,” City Manager Andy Okoro said by phone Tuesday, May 22.

The city intends to issue a detailed written response in a few weeks.

The park opened in September 2015. It hosts concerts, equestrian competitions, soccer tournaments and regional cross-country meets, among other events.

The complex boasts 24 soccer fields, five equestrian arenas, a 12,000-square-foot outdoor cafe, a 10,000-person capacity concert venue called

The BackYard and a 150-seat restaurant called The Field-House.

And it drew 1.4 million visitors in 2017, said Cheryl Link, Norco’s city clerk.

SilverLakes has had a long and often troubled history.

The U.S. Securities and Exchange Commission sued an investment company that owned the property until the late 1990s, alleging unethical practices, the report said. A judgment concluded that some Norco residents who invested in a Ponzi scheme associated with the property had been defrauded of their money.

That led to the 2002 U.S. District Court order restricting the property’s use, once it was sold. And the city acquired it.

Development was delayed

for years, though, and it didn’t help that a 2010 flood along the Santa Ana River caused major damage. After site repairs, construction finally got underway in 2013, before wrapping up in late 2015. The developer is the Balboa Management Group.

While investigating Silverlakes, the grand jury took a testimony from the City Manager, former Norco elected officials and “concerned” Norco residents. Sara Lipchak, who headed the grand jury, said she could not elaborate.

The grand jury determined that the 2002 development restriction remains in place and the city unsuccessfully sought to alter it in 2004. And the panel suggested that the city in 2012 misled the Riverside County Superior Court, which validated

the city’s development strategy based on a submitted plan that was “substantially different from what was actually constructed.”

The grand jury report said that the “plans had no reference to constructing a full-service commercial restaurant and bar.”

The grand jury urged:

- The district attorney to investigate why Norco officials accepted the developer’s bid to build a park with a major commercial component and provided “misleading documents” to the Riverside County court to obtain approval for “a commercial sports park rather than a genuine public park.”
- Norco to stop charging people admission to the park — \$8 per walk-in visitor and \$10 per carload.
- Norco to add “actual

recreational assets and amenities” such as shade trees, picnic tables, playgrounds, barbecue grills, tennis courts and bike trails.

Brian Petree, Deputy City Manager, acknowledged the admission charges, but said those are reserved for large weekend events and payments generally are not required from people who visit the park at other times.

As for the restaurant, Petree said it is an appropriate component because it has a concession operation that provides food and drinks for park visitors and is not unusual for a park of SilverLakes’ size.

“We’re not talking about a neighborhood park here. We’re talking about a regional facility,” he said. “And so, you have to look at it in that aspect.” ■

motherapy known as Hyperthermic intraperitoneal chemotherapy (HIPEC).

HIPEC is a highly concentrated, heated chemotherapy treatment that is administered during surgery. Unlike traditional chemotherapy, which circulates through-

out the body, HIPEC delivers chemotherapy directly to cancer cells following the surgery.

Because the chemotherapy is concentrated to one area it does not have the side effects, such as hair loss, of regular chemotherapy. HIPEC has been shown to increase survival by up to five years and in some cases can lead to a complete recovery.

Thanks to advances like these in treatment, the occurrence and mortality rates for ovarian cancer has been decreasing.

For more information on HIPEC and other cutting edge treatments including immunotherapy and minimally invasive robotic being developed by City of Hope, please visit cityofhope.org. ■

# Leading scout pack 2017 to success

Scout from page 1

any of this without,” said Tom. “We share ideas, talk about them, share in the challenges and in the end make a decision based on everybody’s input,” Tom added. Tom and his team of leaders must be doing something right because pack 2017 has been thrust onto the national prominence.

Just about everyone in Southern California has seen the Cub Scouts standing outside grocery stores and pulling wagons to sell their fantastic popcorn. This is a big fundraiser for the Scouts of America, and it does teach the boys some really good life lessons, like courage, politeness and business practice basics. Some of them may even earn some type of reward depending on how much they sell but in 2017 pack 2017 was recognized on a national level.

Pack 2017 of Eastvale didn’t just surpass the previous national record for most popcorn sales, they demolished it, passed it

up like it was standing still and didn’t look back. Scout Pack 2017 more than doubled the previous record of \$93,000.00 with total sales of over \$193,000.00 in sales. “We never gave the boys an update on what our sales totals were throughout the entire event.” We just helped the boys and leaders stay focused on the process we had already talked through and planned out. This prompted the popcorn company to recognize the pack and even adopt some of the sales practices and make a training video for the scouts in the future.

The City of Eastvale honored these scouts and their leaders at a city council meeting in May for their exceptional fundraising efforts. The boys have done a fantastic job of working together for their pack, troop and their community. Good leadership in this pack is obviously making a difference, or should I say the lack of leadership seems to have catapulted the little city’s pack into the spotlight. Just ask Tom Donatoni. That is his story and he will be sticking to it. ■

\$19.3M in Vehicle License Fee (VLF) revenue from 2011-2017.

Michele has done a wonderful job enhancing our Economic Development efforts throughout the City. One of her most recent Economic Development accomplishments is the Eastvale Costco that we will be opening on June 28, 2018. She has spearheaded bringing Costco Wholesale to Eastvale from the beginning and we cannot wait to see this project come to fruition. “The City of Eastvale is a better place to live, work, and

play because of Michele.

On behalf of the Eastvale City Council, we wish her nothing but the very best in her new endeavor,” Mayor Clint Lorimore said. “With Michele being next door in Corona, we are very much looking forward to continuing to work together as we collectively enhance the quality of life in Riverside County.” Please join us as we celebrate Michele’s accomplishments with the City of Eastvale and congratulate her on the next chapter. Nissen’s last day of service with Eastvale will be June 27, 2018. ■

# RIVERSIDE MEDICAL CLINIC IN EASTVALE

In our continuing pledge to ensure that families in the Inland Empire have access to premier health care, we are excited to have a clinic in Eastvale.

At our Eastvale office, we have primary care providers for adults and children who are supported by a caring staff. Additionally, we have lab and imaging services in Eastvale. And when you need a specialist, you are as close as our Brockton Clinic in Riverside. Our Eastvale Urgent Care Center is open weekends.

If we are not caring for you and your family, we invite you to become a member of the Riverside Medical Clinic family today. Visit [www.RiversideMedicalClinic.com](http://www.RiversideMedicalClinic.com) or call us at **(951) 782-3602**.
