Walnut Man Sentenced to 8 Years

STAFF REPORTS

Walnut - a Walnut man was sentenced last month to serve over 8 years in federal prison for illegally importing and selling over \$11 million worth of pharmaceutical-grade erectile dysfunction drugs that were marketed at herbal remedies for men. Some of the men who took the drugs claimed to have permanent injuries after taking the falsely marked drugs.

John Lee, 41, was ordered to immediately begin his

WV Kiwanis Club Helps Local Community

BY MICHAEL ARMIJO

Walnut Valley - The Kiwanis Club of Walnut Valley has a mission in life: Help those who are in need. And with that philosophy, indeed they do.

With projects like Relay

Kiwanis President Ralph Mendez and Richard Malooly welcomed Nancy Lyons, Diamond Bar City Council member, as guest speaker to a recent Kiwanis meeting.

for Life, Multi Cultural Event, Young Professionals Installation, Pediatric Trauma Prevention, and the upcoming Annual Holiday Food Distribution, the volunteer group has benefitted the local area and the surrounding communities.

"We raise funds to help local entities, from grants to food assistance, we do all we can to help," said long time volunteer Richard Malooly. "Everyone is welcomed to join us, we meet every Friday morning from 7-8 am at the Holiday Inn, 21725 Gateway Center, Diamond Bar, 91765."

Other members in the club are Ray McMullen, Manuel Baca, Bea McMillen, Matt Martinez, Dick Clippinger, Ralph Mendez, Sal Delcampo,

You Can Get A Ticket For Walking In The Street

BY MICHAEL ARMIJO

California - As kids, our parents warned us heavily to never ever walk in the middle of the street. It was viewed as a spot where no one could go. However, looking around today, it is clear to see that the sidewalk has become more of a suggestion than

a requirement. More and more people every day are walking just by the curb or close to in the middle of the street. Even though it seems that this is simply just accepted by the law, it is very much illegal and you

INLAND EMPIRE

Eastvale To Keep RSO As Police Department

STAFF REPORTS

Eastvale - Diversity in thoughts and opinions is what helps create a healthy and vibrant community. The evolution, growth, development, and future of our young city ultimately rely on the tough yet crucial conversations, such as the topics mentioned below, that we have been having as a community. In an effort to remain fiscally responsible and to provide the best customer service experience to our residents and businesses, the City of Eastvale continually evaluates the best services for the best value.

The suggestions that came out of these topics are a result of the City of Eastvale's robust community engagement efforts and strategic plan. The City of Eastvale's strategic plan can be found at: <http://bit.ly/eastvale-strategic-plan>.

LOCAL NEWS

Diamond Bar Celebrates Local Restaurants Oct. 4 - 20

STAFF REPORTS

Diamond Bar - From Friday, October 4 until Sunday, October 20, skip making breakfast, packing a lunch or rushing home to make dinner. Instead, take advantage of the specially-priced dine-in, take-out and delivery options that several local restaurants will be serving up as part of the annual Diamond Bar Restaurant Week (DBRW) event.

The deals vary from one restaurant to the next,

but include everything from appetizers to one-dish entrees and full-course meals. A complete listing of all participating restaurants along with their profiles, menus, and food photos, is available at www.DBRestaurantWeek.com. Smartphone owners may also download the City of Diamond Bar App - found on Google Play and iTunes stores using the keyword "Diamond Bar" - for a directory of all DBRW participants, menus and driving directions.

Modeled after similar events organized in other cities, DBRW is aimed at celebrating and showcasing the numerous and diverse dining options available within city limits. It is co-sponsored by the City and the Regional Chamber of Commerce - San Gabriel Valley. For more information, contact the City's Administration Department at 909.839.7015 or dbrestaurantweek@diamondbarca.gov. ■

install solar panels that include a 25-year warranty and a full monitoring system to track the performance.

LarSun Solar have been in business for over 12 years, and the company has focused on solar specifically for 7 years. In addition, they have solar installers you can trust because their team has been working on roofs for over 30 years.

Erik Larsen, President and Founder of LarSun Solar, said he loves that the company has been solar specific for the last 7 years. "I love solar as a product. Ultimately, we are just selling people on savings for what they are already buying - electricity."

Larsen also loves that solar panels are great for your wallet and the planet. "I feel good at night knowing I'm saving families tons of money and saving the future for my kids."

In addition, LarSun Solar strives to build relationships with their customers. "We know and care about every customer we work with," said Larsen. From throwing BBQs to hosting little

league parties, LarSun loves serving the community. "We want to take care of you. We love our community."

Also, LarSun offers incentives for military, both current and veterans, and donates to local organizations like little league and schools. "Just ask," said Larsen regarding donations.

Before Solar, Larsen obtained his Bachelor's Degree in Business Entrepreneurship and he said his first business was a cupcake truck. He was even a finalist on Food Network's Cupcake Wars! "If you request, I will make cupcakes for you on the day of install," said Larsen.

LarSun Solar is located off the 91 between Lincoln and Maple, but they service all of California. Their address is 1611 Pomona Rd, Corona CA 92880. You can give them a call at 909-600-5050 or 949-294-4220. You can also check out their website at LarSun.com or read reviews from satisfied customers. LarSun Solar is certified by the North American Board of Certified Energy Practitioners, is C-46 solar specific licensed and bond, and is insured. ■

Walnut Man Sentenced

Walnut from page 1

sentence at the conclusion of the trial, where federal agents took him into custody. U.S. District Judge Percy Anderson, also ordered Lee to pay more than \$552,000 in restitution to men who were injured by the falsely labeled pills

Lee pleaded guilty in February to three felony counts of conspiracy, as well as importing contraband into the United States and filing a false tax return, according to the U.S. Attorney's Office.

Lee sold at least \$11 million worth of pills across the United States -- under names such as X Again, X Monster and Royal

Master -- with labels that did not disclose the presence of Tadalafil and falsely stated that no prescription was necessary, according to court documents.

Tadalafil under the name of Cialis is used to treat impotence and symptoms of an enlarged prostate. Another brand of tadalafil is Adcirca, which is used to treat pulmonary arterial hypertension.

In addition to the convictions of Lee, KHK and SHH, federal prosecutors obtained 13 guilty pleas from individuals and companies who conspired with Lee to distribute his misbranded erectile dysfunction drugs. Those defendants are scheduled to be sentenced by Anderson over the next several months.

Mark your calendars for the 2019 City of Walnut Family Festival

**Saturday, October 12,
2019: Suzanne Park, 625
Suzanne Rd., Walnut**

Can't Walk In The Street

Street from page 1

can get cited.

California Vehicle Code 21956 states, "No pedestrian may walk upon any roadway outside of a business or residence district otherwise than close to his or her left-hand edge of the roadway." "Walking in the street is a very citable offense," said LA County Sheriff Captain Alfred Reyes, "it's about safety more than anything else."

The Captain explained that cross walks are in place for a reason, and so are sidewalks.

"It's definitely not wise for anyone to walk in the street," Reyes added, "the best practice are utilizing sidewalks for pedestrian traffic, sidewalks are safest, do not place yourself in harms way."

Runners and walkers can sometimes use bike lanes, and bike lanes may not be always safe for runners or pedestrians, but no lane is definitely not safe. It is safest to utilize the sidewalk.

At night always wear reflective clothing, joggers and bikers, Captain Reyes recommends. "If you choose to jog in a bike lane there is always the distracted drivers element. It's amazing how we see sooo many people look at phones, even on the freeway," he said.

Just a few months ago, Pastor Mark Lee from Vantage Point Church in Eastvale, sister church from Diamond Bar's E-Free Church, was running in the bike lane at 9 am when he was struck by a passing truck's right side view mirror. He spend weeks in rehabilitation and is still reluctant to do certain activities. The driver was cited as being at fault. Fortunately he delivered an inspiring sermon on the importance of cherishing your life.

The Sheriff's Department will cite runners and bikers in the bike lake who do not wear reflective clothing and bikers who do not have

reflectors and a headlight. You are required to have lights on yur bike at night.

Many people do not get ticketed for walking in the street and it appears because of priority. In fact, if you are getting stopped, odds are the officer is concerned about your safety. Sure, walking on a roadway might not get you a serious ticket, but it might get you a serious injury, even death.

In Eastvale, California (bordering Chino), a 28 year old woman was killed last month when she was struck by a vehicle. 28 year old Janine Chavez of Eastvale was walking in the roadway, not inside a crosswalk, Eastvale Sheriff's officials said. The Eastvale death happened about 7:45 p.m., Chavez was hit by a southbound a Honda Accord driven by a 51-year-old Ontario man, sheriff's officials said in a press release.

Chavez was pronounced dead at the scene. It has not yet been determined who's at fault but the report stated she was not in a sidewalk and appeared to be walking in the road. Details are being gathered, and according to the Sheriff's Department, avoiding the street can avoid injuries and fatalities.

According to everybodywalk.org, over 4,500 people in America are killed just crossing the street. The website also claims that over 68,000 people are injured every year from crossing the street. This is even worse in crowded cities like New York, where it is estimated that a pedestrian is killed or injured by a vehicle every two hours.

The only one who can prevent such actions taking place is the pedestrian. Using sidewalks and obeying traffic signs will keep you safe and lawful. If you want to know more about other laws in the California Vehicle Code, dmv.ca.gov has the complete Vehicle Code on their website. (Chandler Holloway contributed to this story)

Local Kiwanis Club Helps Others In Community

Kiwanis from page 1

Don Ruh and Aggie Kee.

"Not only do we raise money, we accept grants too," said Malooly, "the Walmart Foundation just approved our application for for a \$2,500 grant last month which will go towards our annual holiday food distribution for selected recipient families in Walnut, Diamond Bar and Rowland Heights." In addition, they plan to fund upcoming projects.

Kiwanis Club of Walnut Valley also works with local students as well, as the food

drive will be with the local high school Key Club, which is led by Walnut High teacher Mr. Panlilio.

Be sure to visit the Kiwanis Club at the Walnut Family Festival this Saturday, to be held at Suzanne Park, which is located at 625 Suzanne Road in Walnut from 9 am to 5 pm. (for more info about the Family Festival call Walnut City Hall at 909.598.5605).

"We hope to continue helping those who are in need and hope wecontinue to have a great impact on our community," added Malooly.

Visit My Booth This Sat. At The Walnut Family Festival

Can you believe fall is here and we are getting ready for Halloween? One of my favorite things about this time of year is the Walnut Family Festival. The date of the festival is Saturday October 12th. The festival is located at Suzanne Park and there are all kinds of wonderful things to do, buy, eat and it's a great opportunity to just see some old friends. The festival starts at 9:00 am and continues on until 5 pm.

I always run into people that I haven't see for years. This year I will actually be leading a guided meditation from 1:20-1:40. I will have flyers regarding my free support groups and copies of my self-help book entitled Live Heal and Grow (A common sense guide to life) and my latest book, Midnight the Therapy Dog for sale. I will be happy to sign each book purchased. This year I will also have meditation DVDs for sale. It's a great opportunity to come on by and just chat about what's going on in your life and get some support. If you prefer the support of a furry friend Midnight the certified therapy dog will be at the booth part of

the day as well.

The festival is lots of fun and has tons of free information for you and your family. Over the years many of you have e-mailed me or called and left me messages about my column, I hope you'll stop by my booth and introduce yourselves. I'm always amazed about how many nice people I meet at this event. It makes me feel proud to be part of such a wonderful community. I love seeing all the families and all the dogs that come out to this event. I hope you'll come out and join the celebration!!!!

Brakes for Breast Cancer Research

Brakes from page 1

Now is the time to stop putting it off and head over to Gabriel's Automotive & Towing in Chino where their annual "Brakes for Breasts" campaign to help end breast cancer will begin October 1st and last through the entire month. Every year in October Gabriel's Automotive, along with 139 other auto repair shops across the country, offer FREE brake pads with any brake service (up to a \$109 value). But the best part is that,

for the entire month of October, Gabriel's Automotive (and any other participating auto repair shops) will donate a portion of what you pay for the brake service to the Cleveland Clinic Breast Cancer Vaccine Research Fund!

Here's how it works: During October, auto repair shops across the United States work to raise money that goes to support the research being carried out through the Cleveland Clinic Breast Cancer Vaccine fund. More and more auto re-

pair shops join the cause every year, offering free brake pads to their customers.

For every brake service that is performed at one of these participating auto shops, customers only pay for labor or additional parts for brake services—not the brake pads! Every single shop then donates 10% of their brake service earnings directly to the Cleveland Clinic Breast Cancer Vaccine fund.

So what, exactly, is the "Brakes for Breasts" Campaign

anyway? Well, back in 2011, Leigh Anne Best and Laura Frank, two auto shop owners in Ohio, started the Brakes For Breasts fundraising program with 5 other auto mechanics in their area. The success of the program lead them to expand it to 27 shops across 17 states in 2012, allowing them to raise a total of \$66,499.29 for breast cancer research! Over the next few years, the program continued to grow and the amount of money raised has grown along with it.

Just how much can one repair shop do, you ask? The answer is a lot! Here are a few statistics to give you an idea:

- \$10,000 raised by 5 independent auto repair shops in the state of Ohio in 2011
- \$32,848.48 raised by 27 independent auto repair shops across 16 states in 2012
- \$66,499.29 raised by 66 independent auto repair shops across 27 states in 2013
- \$115,236.53 raised by 136 independent auto repair shops across 28 states in 2014
- \$141,868.76 raised by 174 independent auto repair shops across 32 states in 2015
- \$125,867.37 raised by 131 independent auto repair shops across 35 states in 2016—the most on record to date!

In total, independent auto repair shops just like Gabriel's have raised a grand total of over \$492,000 in the last six years!

Breast cancer is a serious disease that has affected the lives of so many of our friends and loved ones. Chances are,

you know someone who has fought against breast cancer, whether it's someone close to you or an acquaintance. That's why everyone at Gabriel's Automotive is proud to stand up to show their support through giving, along with other auto repair shops who participate in the campaign. But they couldn't do it without the support of their customers, friends and families. So Gabriel's is asking you to help them make a difference. Help in the fight against breast cancer so that our daughters and granddaughters will never have to fear for their health and safety due to this disease.

And now there's proof that the Brakes for Breasts campaign is making a difference in the fight against breast cancer. Last year, Cleveland Clinic's Dr. Vincent Tuohy and his team tested a breast cancer prevention vaccine in the lab—with great success and clinical trials for the vaccine began in 2016. Visit Gabriel's Automotive and Towing on the web at gabriel-sauto.com or go to <http://giving.clevelandclinic.org/> to learn more about the Cleveland Clinic's research. We can do this together! If you're in need of brake repair, October is definitely the month to get it taken care of—for a good cause! Come to Gabriel's Automotive and Towing located at 13654 Central Ave. in Chino. Their business hours are: 8:00 am to 6:00 pm, Monday through Friday and 8:00 am to 4:00 pm on Saturday and Sunday. You can contact them at (909) 464-9005 or visit them on the web at gabriel-sauto.com.

Eastvale Keeps Sheriff For Police Department

IE from page 1

local agencies, continually hearing from residents that they would like an increased law enforcement presence, along with the City of Menifee conducting a Feasibility Study to create their own Police Department, the City of Eastvale evaluated whether it made sense to form its own police department as a way to direct policy establishment, ease of information distribution, and leverage local resources. There were many opportunities for public input on public safety priorities to include: the Public Safety Budget Workshop in March 2019, the City Council Meeting in March 2019, the Public Safety Commission Meeting in March 2019, the Public Workshop for Public Safety Priorities to include a

Facebook Live event in July 2019, and at the City Council Meeting on September 25, 2019. In the end, Sheriff Chad Bianco was ultimately able to reduce the projected rate increases and created a command staff to work with City Managers and County staff to identify future saving opportunities. At the City Council Meeting on Wednesday, September 25, 2019, the City Council provided direction to not pursue creating a local police department at this time. The City of Eastvale is hopeful that the Riverside County Sheriff's Department continues to collaboratively explore ways to keep rates low and identify ways to align their services with our unique values and needs. The City Council also pro-

vided direction to explore opportunities to build a law enforcement substation within Eastvale city limits. Some of the advantages of having a substation in Eastvale are that deputies could be able to report directly to Eastvale, potentially improving response times and coverage. A law enforcement substation can also help our residents have a greater connection to the local deputies that serve our community. A potential location option for a law enforcement substation is at the intersection of Riverboat Drive and Hamner Avenue. Fire Station 27, just south of this intersection has surplus land that could be leveraged as a potential law enforcement substation with the vacant adjacent parcel. This site could allow opportunity for a unified public safety command center by locating a law enforcement substation next to Fire Station 27.
